APPELLANTS' CIRCUIT RULE 26.1 DISCLOSURE STATEMENT

Certificate required by Circuit Rule 26.1:

I, the undersigned, counsel of record for all Appellants, certify that to the best of my knowledge and belief, there are no Appellants which are companies that issue stock or that have parent companies, subsidiaries, affiliates, or companies which own at least 10% of any stock issued by any Appellant, and none of the Appellants have any outstanding securities in the hands of the public.

All of the Appellants except one are individuals. Appellant Architects & Engineers for 9/11 Truth is a nonprofit corporation that does not issue stock.

Architects & Engineers for 9/11 Truth, Inc. (AE911Truth) is a 501(c)(3) non-profit organization of architects, engineers, and affiliates dedicated to establishing the truth about the events of September 11, 2001. It pursues its

mission by conducting research and educating the public about the scientific evidence related to the destruction of three World Trade Center towers on 9/11 and by working with 9/11 victims' families and other concerned citizens and groups to advocate for a new investigation. AE911Truth represents more than 3,000 architects and engineers who have signed its petition calling upon the U.S. Congress to open a new investigation.

These representations are made in order that judges of this Court may determine the need for recusal.

Respectfully submitted,

s/ Mick G. Harrison
